Our DBA Family Weekend is a significant cost to our charity at approximately £25,000 per year. Whilst we ask no charge of the DBA patient and immediate family, we do ask that if possible you offer some donation towards the cost of almost £160 per person. We leave this to your discretion but I'm sure you're aware that every penny makes a difference to us. We allow up to 2 additional attendees to join your immediate family group, such as grand-parents who are coming to offer child/sibling care whilst parents can concentrate on the talks without distraction. Spaces are limited so we please ask that your additional attendees have a justifiable reason for attending the weekend or a charge of £100 per person may be asked to cover some of our costs. In the event of oversubscription, priority will be given to patients and immediate families.
